TABLE OF

CONTENTS

Everybody needs a little boost and support in life sometimes. Friendship can be the source of those necessities. One of the reasons for Ocean View's success is the strong bonds of friendship amongst its students. Friends are not only there to support you but to share your highlights in life with. Whether your shared highlights have been the prom or a casual date to the movies, a football game or Twister at a friend's house, those moments and many more to come will always be cherished as long as you have friends to cherish them with.

Although Ocean View High School is the youngest in its district, it is highly recognized by her sister schools and the community for its enthusiastic "Seahawk Spirit." It can often be reflected by the many forms taken on by the school's cardinal and gold colors such as uniforms, book bags, jackets, notebooks, folders, and banners hanging around the school. Or stickers on windows which depict that proud Ocean View Seahawk. No matter which way you turn, you will always find some sign of that proud and enthusiastic "Seahawk Spirit."

At Ocean View the attitude amongst the students about academics is a very productive one. Remember how tough you thought high school would be when you first got cut of junior high? It was definitely a challenge to be conquered for a of us and most of us have succeeded in doing so. Whenever we got to any rough spots, there were always leachers and faculty members there to help us through in the time that our years at Ocean View have elapsed it isn't rare to see grade point averages (14.0 or better which proves that O V is an academically productive school

The Greatest Show on Earth

Ocean View was filled with spirit and enthusiasm as the week's activities came to an end and Homecoming Day began

The spirit was sparked at the pep raily with enthusiastic performances from last year's song leaders, drill team, and yell leaders

The spirit carried through the first half of the football game against Westminister as we were ahead 13-0

The tension built as the five homecoming nominess were driven into the center of Huntington Stadium, then escorted by their fathers up the platform. Joyous cheers were released as Karen Anderson placed the crown upon Bevann Griskonis' head. Her court consisted of Chris Clarke, Julie Spehar, Denise Violette, and Lee Ann Paris

However our skill did not hold up and we lost the game. We tried our best and put up a good fight

SENIORS

PURSUIT OF EXCELLENCE

Most Likely to Succeed

Richard Smith Susan Danger

"Being chosen the 'most likely to succeed' is worth my effort and dedication to O.V.H.S.," said Susan. She is an actively involved member in the Model United Nations program at Ocean View and is one of the highest ranked students at this school. Therefore, when it came time to choose the "most likely to succeed" students in the graduating class of 1984, Susan was everybody's first choice along with Richard, an active member in the student body government and the A.S.B. president, whose reply was, "I'd like to thank everyone who voted for me. I hope I can live up to it." Don't worry Richard, we know you will. Congratulations and good luck to both of you.

Class Flirt

Phil Jordan Liz Hutcherson

Flirting is a true art that takes time to master, but Liz Hutcherson and Phil Jordan have both successfully mastered it in their short four years at Ocean View. Phil, always known to be flattering the ladies, felt "proud of it and i've worked four years to reach this goal. I'm just girl crazy." Don't we know it? Just as we know Liz was delighted to have gained this title. Although she wouldn't express herself in words, her untamable flirting shows it

Most Talented

John Massey Beadie Pompa

When the time came for the seniors to pick the most talented people in their class, the first choices were undoubtedly Beadle and John. "It's an honor to be recognized for a particular talent by your peers. It takes a lot of hard work to be good at whatever you do," said Beadle. John seemed rather supprised to have received this honor. "I didn't expect to win it, but I'd like to thank my classmates for picking me as the most talented," was what John had to say about it. With such school productions being in them, such as, "The Miracle Worker," "Man of La Mancha," and "Fiddier on the Roof," we all know that these two will go far in the competetive careers they choose to pursue

Warmest Smile

Craig Adnams Bevann Griskonis

Whenever you see Bevann or Craig, they are always quick to flash those pearly whites and make your day. Both were surprised and delighted when they found out that their smiles were considered the warmest by the graduating class of '84. They have the kind of smile that leaves you filled with good feelings for the rest of the day. Neither had much to say about their titles, but their gratitude was revealed in the huge grins that appeared on their faces

Cutest Couple

Allen Ellis Danielle Panzica

Cute couples are hard to come by nowadays and the special relationship shared between Alan Ellis and Danielle Panzica is definitely a rare one. Alan was so enthusiastic upon receiving this title. "I thought it was real great and feel this 'wazoo' relationship will last a long time" Danielle also appreciated getting it, considering all of the "real fun" times they've had together. This handsome pair just wanted to thank the class of '84 for selecting them as the "Cutest Couple." Do we hear wedding bells in the near future?

Most Athletic

Dean Douty Kim Saiki

Talk about being athletic! Dean Douty and Kim Saiki definitely are. Dean has been on the basketball and baseball teams and it seems that whatever sport he takes up, he gets really good at at . . . He felt "really surprised I got it. Thanks to everybody who voted for me because I really like athletics." Kim, who won the C.I.F. championship in golf and has had many offers for scholarships from high ranked colleges, was "honored and thrilled to have received this title "

The second second

Steve Johnson Lori Mentz

Steve, upon receiving this title, had only one question to ask — "Will this be a plus on my application to Harvard?" Surprised was Lori's reaction to receiving the title "Class Clown." "I think of myself as an enthusiastic participant rather than a clown." If anyone is having a bad day or a class gets a little too boring, you can bet that these two will always be there to liven it up a bit.

Brian Bode Julie Spehar

Whether it's a football game or a basketball game, you can always be sure that Julie Spehar and Brian Bode are always at the scene cheering and rooting for Ocean View. Julie, who is on Varsity Yell, said that she was "excited and happy, and it was nice to know that my fellow classmates would recognize me for that title." Brian, a very "Rowdy Rooter," thought it was an "honor." These two are truly the "Most Spirited" students of the class of '84

Most Devoted Seahawk

Jeff Zitko Chris Clark

Jeff Zitko and Chris Clark are a dedicated pair who have always helped Ocean View gain the respected reputation that it has today. Both are actively involved in student government. Chris thought that being given this title was neat "because when I do something, I don't think that people recognize me for doing it," but we do Jeff found that it was an "honor that my fellow students see that I put so much time into Ocean View."

Sexy means attractive and who could fit these descriptions better than Yolanda Miller and Matt Jones? Yolanda thought it was "a little embarrasing, yet flattering, to know that my peers would recognize me for this title. Thanks everyone." Matt, definitely the sexiest guy at this school, said, "Thanks Mom and Dad and all you classmates that made this possible." When it comes to sex appeal, these two have definitely got plenty of it.

Best Body

Dave White Kim Darling

When it comes to "Best Bodies," Dave White and Kim Darling have two of the best around. Kim was flattered that her classmates recognized her for this and Dave was "glad that so many chose me for this. I thought one of the football players would get it." Well, it just goes to show that it must take a lot of hard work and exercise to be in such physically good shape, and whatever these two have done, it certainly does show.

Dave Twelker Jean Gordon

Neither Jean nor Dave were expecting to be given the title of "Shyest" because neither considers themself to be shy. They consider themselves quiet around people they don't know and people that don't know them, yet both admit to being very open with their friends. Well, there's nothing wrong with being shy because it makes it all the more pleasant when you finally get to know them.

ACTIVITIES

PURSUIT OF EXCELLENCE

Head First Welcomes OV's Students Back to School

his year's welcome dance was a complete success, thanks to the talented band, Head First The pleased faces and gossip which went on throughout the school, was all that was needed to show the dances success.

The Welcome Dance brought excitement to the new school year, reuniting old friends and best of all, the making of new friends.

Everybody danced to the sounds of rock-n-roll, new wave and practically anything that was suggested. The enthusiasm everybody displayed really made the dance an even better event. With an opener like this, it makes people want to attend all of them, it sure was a warm welcome!!

WELCOME

Seahawks Bash With the Monster Mash

n Monday, October 31st students and faculty members participated in O.V.'s Halloween Dress-Up day. Students and teachers came to school in their bizarre, colorful costumes to show their Halloween spirit. Passing through the halls one could see the expressed imaginatrons of OVs Goblins.

During lunch a contest was held in the theater area for those who participated. Awards were given to such

winners as Sam Perriconne, Tracy Waselweski, Bevanne Griskonis, Leeann Herdman, Richard Smith. Jeff Zitco and Theresa Miller, All winners received cash prizes donated by the ASB, from the financial office, if you were of the audience and saw ballerinas dancing through the theater stage, or Pac-man eating up a storm don't fret it was only OV's teachers and students participating in the "Graveyard Bash."

"She Doesn't Like Water, C.C.!!"

he Diviners" is a touching story of a simple-minded girl, Buddy, learning not to be afraid of water by a disenchanted preacher, C. C. Showers

Buddy completely trusting of anybody and everybody soon makes a friend when C. C. Showers comes to Zion to get away from preaching and the world of Gospels. He helps Buddy to overcome her fear of water so she can wash and cure her ringworm that invades her whole body. The plot comes to the climatic point when Showers and Buddy are wading and Norma along with the rest of the town come down to witness the event. The mob of people

divert Showers attention from Buddy to them mean while, Buddy liking the water wades out too far. Showers tries vainly to save the drowning child but fails. Buddy drowns as the horrified crowd looks on

Juniors Upset Seniors, 14-6

he look on their faces was hunger, inside, a feeling of determination, outside pride was at stake. Defeated fast year 35-7 they were out for a victory, as Lori Mentz put it, "A clean victory." The seniors wanted it all

The opponents had a massive squad although each didn't seem too big for the mighty seniors to handle. They looked scared pessimistic. This Junior team wasn't like the one of the past & soon enough the "Girls in Gold" found out.

Powder Puff changed this year It wasn't the game that was so important, it was everything that took place. Secret practices were held by both teams & this only intensified Nov. 29th's game. The senior girls learned an intimidating Somoan chant while the Jrs. kept repeating "dead meat."

The day of the game came quickly & the Seniors showed-up with black bands around their arms, signifying death to the Jrs. Both teams were fired-up at the pep rally, barely being able to sit still. Denise Ferrall & Kayanne Robertson spoke words of criticism while Lynne Donnelly & Lori Mentz advised the Juniors to play clean & fair

The field displayed a serious Senior team Each girl was designed with a very intimidating war paint and they knew it was time to take the stage. The first play saw Tracy Moarelock run 79 yards for a fouchdown. Did she step out? What do you think the seniors saw? What do you think the referees saw? At least hope belonged to the '84 team. Tackeling? Three times the seniors were penalized for this, but still they believed in themselves. Belief led to reality as Denise Eastmen scored on a 5 yard run, rounding out the score 6-7

Half time displayed such beauties as Steve Johnson, Adam Buder, Mike Aguilara, Brian Bode and Jason Smith. Each candidate awaited anxiously in their Pepster uniform until cheers rocked the stadium. The very exquisite Brian Bode reigned as Powder Puff Queen '84, WQW''''

Third quarter action saw the Juniors take the lead 14-8. After this fine play there was no turning back. Wait! Did Denise Violette after catching the most incredible pass of the night, lose her flags or did they fall off while leaping through the air? Again the seniors only had belief on their side, thus became the turning point of the game

Time ran out & so did the seniors, but on to the field. What seemed to be good sportsmanship turned into a brawl

Crushed by another loss the seniors couldn't achieve it but you're guaranteed they'll always believe it Believe in what? The best — THE GOLD+

ALWAYS BELIEVE

IN GOLD!!

PEP RALLIES, FUN

Class Competition, and Spirit Brought Enthusiasm

et's all hear, "Seniors, Seniors, Seniors yeah'll" Who is that out there stuffing his face with a cream pie." "Is that Mike Diehlman with the balloons between his legs? These are just a couple of things you'd hear at an Ocean View pep raily. Usually, they'd consist of a welcome from pep commissioner, Denise Violette. Following the welcome the song leaders shuffled their toes to a familiar tune and the cheerleaders would yell until there voices were weak. Next, the coach would usually speak about his/her team to fire up the crowd for that nights game. The program would continue until all the pepsters got their chance to show their enthusiastic side

In actuality what is a pep raily for? "A pep rally is an assembly to put pep into the team, pepsters and fans," quotes Denise. Each rally is basically made up of a class competition, whether it be tossing eggs or cramming into a closed off circle, people always enjoying competing. There have been events such as apple bobbing, egg toss, balloons stomp, root beer chug a lug, blindfolded baby bottle feeding, yelling competition, and carmelcorn feed. The classes compete against each other, with two seniors, two junior, two sophomores and two freshman. The faculty gets to compete with each other as well. Pep railies are fun for all and a big part of O.V.H.S. great spirit

- 1 Jenny Panaie and Jason Smith participate in spirit week by bobbing for apples
- J. V Yell cheers at the welcome assembly
 Drill Team, Jenny Baker and Paul Riendhert show their enthusiasm while singing the Fight
- Song 4 Mike Dielhman jumps around in theatre trying to get there first

Winter Semi-Formal

his year's Winter Semi-Formal was held on campus in the Ocean View Commons. This exciting event took place on December 9th and went from 8 00 p.m. till 12 00 p m. As couples approached the quad, they could see the beautiful decorations set up by the Executive Board, Tables were covered with Holiday cloths as candles provided a romantic atmosphere Garland was draped from the ceiling to the stage putting everyone into a festive mood

The couples danced to music played by a D.J., "The Music Nut He played all types of music so everyone received a chance to show what they had. Couples were seen doing quite funky dance steps while others tried to 'outbreak' each other It wasn't unusual to see dates ditching each other, especially those girls who spent all their time in either the bathroom or dancing with their girlfriends. Pictures were taken for remembrance of this occasion by Dan Dean or one of the photographers from the Estuary staff, All in all "Whispers of Winter" was a great success, leaving everyone with a warm feeling for the two week holiday

Whispers of

- 1 Couples dance to the sounds from the Mosic Natt
- Boys were seen dancing with boys
- 3. The Music Null.
- 4 Richard Smith and his date. Lee Ann Herd man share moments together

WINTER

- 1 The Commons was filled with a festive spirit as couples shared "Whispers of Winter
- 2 Donna Rico and Bob Nellison (Hangslew)
- show they re having a great time

 3. Karyn Ainsworth, Debble Clarke, and
 Denise Mullins ham it up
- 4 Jenny Panaia and Jason Smith are caught off guard

'84 King and Queen — Miss K. Harris and Mr. S. Moser

his year's Ocean View held its 3rd annual Queen of courts, but this year we added a King of Courts. This activity took place during half time of the Huntington Beach vs. Ocean View game. Five girls were chosen from each underclass and princes from the senior class, with one of them to be crowned the 1984 Queen and the other King. The freshmen nominees were Jenny Campbell, Wendy Schaufe, Kristin Durr, Heather Archibald, and Veronica Dras, and the freshmen princess is Wendy Schaufell! The sophomore nominees were Michele Board, Chritie Robinson, Stephanie Correnti, Aml Bird, and Dina Kimble, and the winner is MICHELE BOARD!! The junior nominees were Liz Hernandez, Leeann Herdman, Lois Tanner, and Karrie Durr, and the winner is LIZ HEA-NANDEZ!!! The senior nominees were Kim Harris, Leeann Paris, Julie Spehar, Shannon Hollander and Denise Violette. The king nominees were Steve Moser. Dave Dresnick, Craig Adnams, Joe Parco, and Trevor Smith. The jester approached the stage and announced the 1984 New Queen and King of Courts "Kim Harris and Steve Moser" The night was filled with warmth and happiness. After the game there was a dance in the commons area that featured "HEADFIRST"!!!

Denise Violette and Jeff Zitco Are Crowned New Queen and King

Valentine's Dance was held at the Costa Mesa Country Club and entertainment was provided by a professional disc jockey. The semi-formal event entitled, "A touch of Romance" began at 8:00 and ended shortly after 12:00 p.m. Saturday February 11, 1984.

Despite the size of the adjoining banquet rooms at the club, only about seventy couples showed up with their sweethearts for this evening of romance. The couples that were there, were handsomely dress-

ed in all sorts of evening attire, ranging from the most simple dress to a formal affair suited for a Prom

These happy couples danced the night away until that shining moment came when the King and Queen were announced! The tension mounted as the finalists gathered on the floor, and finally the crowning of OV's 1984 King and Queen of the Valentine's Dance, Jeff Zitco and Denise Violette. The couple started off the dance to "Up Where We Belong" until the rest of the onlookers joined in!

OVHS Faculty Shines in All Star Game

he 5th annual Celebrity Basketball Game brought in over 200 people for the event, as famous celebrities and the Ocean View faculty faced off in a very rough game.

Coach Jim Harris scored 24 points and Coach Roger Holmes was incredible, as nothing seemed to stop him scoring 32 points. The faculty players consisted of Steve Smith, John Myers, John Webb, Jim Harris, Steve Colflesh, Roger Holmes, Jeff Harshaw, Mike Da Deppo, Greg Sprivill, and Rich Kerk, Coaches

were Butch Fredlow, Craig Adams, Todd Dixon and John Sharke.

The celebrities were fantastic but couldn't make up the 9 point difference. The highest acorer was Adam Mills, scoring 27 points. The celebrity players were: Gary Hutson, Tim Culbeetson, Earnest Hardin, Chris Knight, Adam Mills, Aron Young, David Wallace, coached by Dave Marrish.

This year's game was fun for all, the stars and faculty put on an allstar night.

THE DATING

"How Would You Start Me if I Were a Car?"

6 6 I'd pop your hood and check your pistons," answers Kelly Doran. This year's dating game consisted of fast comebacks and some revealing poses. Lisa Hensel was from Fountain Valley and Scott Miller from Edison High School. The bachelors were; seniors, Matt Jones, James Thompson and Steve Johnson. The bachelorettes were: seniors, Kelly Doran, Cheryl Bailey, and Lynn Donnelly. After questions such as, "If you were deserted on an Island which two things would you want with you?", and "Give us your sexiest pose", the audience went into hysterics. Matt and James gave their best posing and Lynn sang "You are My Sunshine". As each set of Seahawks tried to impress the unknown sweetheart on the other side of the divider he/she kept in mind the humorous if not crude answers. Although the bachelors were a lot funnier than the bachelorettes the crowd enjoyed both games vigorously ... By the way victors of this event were the charming Steve Johnson and Kelly Doran who immensely enjoyed steak dinners payed for by the Executive Board.

ILLEGAL ACTIVITIES

The Substance Abuse Committee

here is a new but most interesting committee that has been formed on the Ocean View campus this year, and it involves the abuse of alcohol and drugs among the high school campuses over the past few years.

Committee members include: Carol Kanode, Evie Salee, John Webb, George Clemens, and Julie Mayer. (not shown in photo)

The Committee's main goal is to assess any problems concerning alcohol or drug related difficulties on the high school campuses

This year's committee sponsered the Chemical People, participated in a district workshop, and took place in an all day in-service for those who attended the district workshop

PURSUIT OF EXCELLENCE

TRADITION — ATTITUDE — PRIDE — STRENGTH

I want to thank all the players and coaches who participated on this year's Varsity Football Team. We spent many hours together, sharing the laughs and the tears. Each of us grew in many ways. Thank you for putting forth a tremendous effort trying to make Ocean View High School the number one school in Orange County. Your desire was certainly appreciated by many, but most of all by me

I hope you will always remember your turn in "The square". Or maybe your memories will reflect on "The Drive Drill," or "two-a-days," or your visits with "Mr. C!" Whatever you took away from the program I certainly hope that it made you a better person, for that really was our only goal.

Thanks for your contribution on "BUILDING TRADITION" Steve Colflesh

FONLY FAITH COULD MOVE MOUNTAINS

The varsity team had the will to win and was predicted to do so but even its winning attitude could not change the outcome. Their autions did not live up to their expectations, but TAPS proved them to be winners in a more important way.

This year's Sophomore football team atruggled throughout the season, but gained valuable experience, despite their record The team finished with a 2-7 record (1-4 in league), but they showed the willing and determination to do well at varsity level next year. The sophomore team's head coach was John Rogers.

Nobody said it was going to be easy Nothing worth while ever is, but you see there is nothing really to be lost and everything to gain. To develop a winning attitude you must learn how to dream; yes to dare greatly. You must challenge yourself to become excited, confident and enthusiastic about it, and consider it for your own future. Reach inside and find that dream you've been hanging onto - the one about becoming somebody special, doing something great with your life. And use that dream to build your own winning affitude. If you believe in it, really believe in It, you'll have the security of knowing that nothing can defeat you. And remember that tough times never last, tough people always do. The feeling of uncertainty plagued the O.V.H S. water polo team before school started. The team did not have a coach or a pool. The team finally found a coach after school started and were on their way to a successful season. This year's J.V. water polo team did an excellent job in league play. The team record was 4 wins and 2 losses. The teams that they beat were Santa Ana, Palas, Verdes, Huntington Beach, and Fountain Valley. O.V.'s water polo future looks bright with players like Greg Weber, Paul Holmes, and Matt Wilfert returning next year. Goodby Rodent and good luck!

his year's surf team's captain Mike Denucci and co-captain Ryan Collins said, "The Surf team this year has had its ups and downs but overall had a good year and standings coming in third place overall in league competition

According to Coach Mike Calvano, "The polls seem to skip right over us. That sort of effects our team."

It seems to Coach Calvano that the reason the poles haven t recognized them is because the team is so small and the reason the team is so small is because it s not known for its reputation. The only thing that the team needs to be is a strong team, which will end up with recognition on the polis

The girls' cross-country team was small in numbers but big in spirit! They had a very young team comprised of mostly treshmen and sophomores. It was frustrating competing against the more experienced runners from the other schools, but they tried to keep in mind that Improvement could be measured in faster times and not only winning or losing. Mrs. Chilcott stressed that the girls improvement in their race times would be considered a success. The team was alded by a strong consistent performances by two freshmen. Ann Scaglione and Akemi Royer Both girls were very determined to improve each time they ran

With the addition of more runners, the O V. girls can continue in their quest for excellence. Continued improvement from this year's team and aid from new talent can set Ocean View on the winning path.

A REBUILDING YEAR FOR THE SEAHAWKS

This year's Varsity Volleyball Team was a young one. All the players will return in 1984, more experienced, with a better attitude and sportsmanship. Potentially, O.V. could be one of the strongest teams in the Sunset League. Next year, with more self-confidence and a good attitude, the Seahawks will be unstopable. Good luck next year to Coach Thornton and the entire team.

J.V. VOLLEYBALL LOOKS TO .IMPROVE

This year's team consisted of all freshmen and sophomores. "All they need is a little experience," reported Coach Bill Boehlert. This year's squad had some highlighting performers including Jaimi Gibson and Stacy Goldstein — most valuable; Mara Woodworth — most improved; and Lisa Sherry — most inspirational, who set the tone for the team. To the girls mentioned above and the entire team, congratulations for your great effort.

In order to have a season such as this there are some key people required: Stacy Hunold — most valuable; Kristen Twedt — most improved; Kim Kufus — most inspirational; and last, but certainly not least, their devoted leader, Coach Lila Farr. This year's team motto was "THINK POSITIVE." It is obvious that it worked. A message from Coach Farr, "Keep up the good work. I love you all' Stay proud! Congratulations to everyone involved on a job well done!"

1983/84 Varsity Basketball

he 1983/84 O V Varsity Basketball Team is one of the greatest teams ever to grace the hardcourts of the Seahawk gymnasium. This team possesses the greatest attitude ever. Watching Vaughn, Rich, Trevor, and Butch support their team is a fine example of the attitude they have for one another Our team is also very intelligent and hardworking in the classroom with 4 the team averaging 4 0 G.P.A. (Joe, Craig, Rich, Rick, John, Todd, and Dave)

Steve Moser led the team in scoring while Dave Straight gave the best all-around performances throughout the year

The season was highlighted by our Tournament Championship in Arroyo Grande and our win over Fountain Valley in League Play Of course, the Seehawks are making their 6th consecutive trip into the CIF play-offs and will be very competitive as usual

Next year, OV will be the team to beat with Tony Hocker, Tony Panzeca, Dave Straight, and Ricky Butler returning and a championship JV team

The season has gone too fast. We will miss each other and the cameraderie we have together. Every player on this team is a success story. They good hearts great spirits and their priorities straight. I love them all and will always remember this team as "THE TEAM!"

Once again, the Jr. Varsity took the Sunset league title. The team had a league record of 9-1 and was 21-3 overall. "The goals of the team were to win the Ocean View tournament, win 20 games and take league title," says coach Roger Holmes. "All of our goals were reached."

Highlights of the season were the 41 points poured in by Blaine DeBrower against Fountain Valley and the 104-62 trouncing of Edison

he 83-84 Sunset Frosh will be remembered because of intense and aggressive defense that kept them in every game. Their attitude of hard work and a great desire to do the best they can, will help make their careers as Seahawks very successful. There were many highlights this past season, including: a team record set for least points scored by an opponent, 18 vs Redondo; a double overtime win vs Huntington; and a second place finish in the Santa Ana Tourney Finally, I just want to say thanks to all the line young men who were a part of this team. You made it a very enjoyable experience. You represented your school and Seahawk Basketball with CLASS. You have a great future shead.

was very pleased with this year s performances by all the wrestiers who stuck with the program since the beginning I'm especially proud of our Frosh/Soph team, which placed 3rd in the Sunset League. There were many bright points about our young wrestlers that will carry on into next year. This year was the biggest turnout of wrestlers in a long time. It was a pleasure working with the young men

Our varsity wrestlers showed great pride and strength in their efforts this year We managed to beat Marina High School for our first league win in four years. Again Ocean View carries on the tradition of sending two more wrestlers to C.I.F. Over the season, many individuals earned awards and medals in lournament competition. This success shows that hard work and determina-tion is rewarding. Again, as coaches, we would like to sincerely thank the parents for their great support this year It's been a most enjoyable season

CROP Offers Commercial Art (photography), Word Processing and Health Occupations on campus at this time. Classes meet at both business and industry sites as well as local high schools. After basic classroom meet instruction, on-thejob training is provided in most classes. This gives the student an on-hand experience in that the feild of training and in this way we can help you up-date or up-grade your existing skills, learn a new field, while earning elective credits

towards your high school diploma. This is a "no lose" situation and just some of the benefits include:

- * On-the-job training for saleable job skills
- *Job seeking skills like how to fill out an application and how to survive an interview with grace
- * Letters of recommendation for students who do exceptionally well in - the class and a certificate of completion for all who complete the class
 - *Credits toward graduation

CROP's goal is to provide a positive job training experience for students that combines job skills, training and appropriate business behavior. Find out more about it!

SPANISH

MANY ARE THANKFUL FOR THE HELP OF THE SPANISH CLUB

The Spanish Club has done a lot of things for a lot of people, and they are grateful for that. Things like: food collection for the poor during Christmas, fund raising, donations to the poor in Mexico, and helping with the MUN. But it's not so much the giving to people but also knowing that you did something good that gives you a special feeling. It's nice to know that the Spanish Club is more than just people getting together to talk

BIKE CLUB WHEELS ITS WAY FOR FUN

If you like riding your bike then you would like the Bike Club. They go for short trips, weekend trips, even a trip to San Diego. Most of all they enjoy what they're doing. Bicycle riding is great exercise plus a good way to see places. It's a lot of fun when you ride with friends and that's what this club is about, friends getting together and enjoying themselves. So if this sounds good to you, go have some fun on wheels with people who do the same.

BIKE

BOWLING

GOOD BOWLERS ALWAYS STRIKE

This is the second year for the bowling league. The league consists of 16 teams, and boasts of many top-bowlers. The bowlers practice at the Fountain Bowl on Mondays after school.

One of the hi-lights this year was the student, staff roll-off which was held in January, trophies were awarded to the staff and the student winners.

The outstanding yearly event is the roll-off with Fountain Valley vs. Ocean View. Ocean View won the school trophy last year and is hoping for a repeat this year. Good Luck to an excellent Bowling Team! Mimi Juarez serves as the Advisor for the bowling club

COME SAIL AWAY WITH US.

he Sailing Club is a new member of Ocean Views organizations. Ms. Shannon is the skipper of this club, which enjoys sailing on the weekends when the weather permits. The Sailing Club is really excited about the Olympics coming to Los Angeles, so they may observe the sailing competition in Belmont Shores

AGAPE

AGAPE REACHES OUT

he main focus of the Agape Club is to share God's love with all people. In light of this theme, the Agape club plans to participate in many activities to bring help to those who need it. These activities include visiting hospitals and convalescent homes, doing small labor activities, and even Christmas caroling. The club members are planning a trip to a Mexican orphanage to bring love, help and hopefully brighten the lives of the children there. The Agape Club has done many things in the way of becoming better friends (such as attending christian concerts together, and seminars). The time that the club spends together is very important (and all are welcome) because they believe that unity is the key to friendship.

KEYNAMETTES

KEYWANETTES PROVIDE SERVICES TO OTHERS

eywanettes is a club which not only helps the school, it also helps the community. They have formed such necessities as the blood drive, canned food for senior citizens, toy drives for the needy children, and Project Cherish, which helps people fix up their houses Diana Frybarger, the President, said she was looking forward to Project Mickey Mouse and a convention involving all the keywanettes from California, Nevada, and Hawali. Keywanettes is helpful to our community, people should get involved!

WE LIVE BY TODAY'S FASHION

he purpose of the Fashion and Design Club is to promote interest and careers related to modeling, fashion design, interior design, housing and merchandising. The activities the club members participated in this year included listening to a guest speaker from the Fashion Institute of Design and Merchandising, a Saturday picnic/fashion show, putting on a lunchtime fashion show with clothes from Contempo Fashions and coordinating with the Prom Committee for the annual Prom Fashion Show. Since this was our first year, we hope our club membership will grow next year and new interests can be explored

PURSUIT OF EXCELLENCE

ADMINISTRATION =

I feel our theme this year, "In Pursuit of Excellence," is especially appropriate for Ocean View High School. The principalship of Ocean View High School is the fulfillment of a long-awaited professional goal for me, and I consider myself fortunate to be the principal of such an outstanding high school. I have been impressed all year with the high caliber of our staff members, the support we have received from our parents and community members, and the enthusiasm and involvement of our outstanding student body. Whether it is academics, athletics, or extracurricular activities, Ocean View High School students consistently strive to be winners. I would like to extend my very best wishes for the future to the class of 1984. Whether moving on to college or other endeavors, I hope they will continue throughout life to be "in Pursuit of Excellence."

CLA STAIL

A SYMBOL OF SOME NATIONAL AND LOCAL SIGNIFICANCE

And The Coast Community Colleges Know It Well

We are interested in helping you to gain the education necessary to optimize your earning power so that you can glom onto a lot of what that symbol represents

And we can give you a head start toward that end because our colleges are tuit on free. That means for those who are concerned about the bucks, one of the great educational systems of the nation is yours for the price of books, gas, parking permit and some materials fees.

And look at it this way also Attendance at any of the three Coast Community Colleges significantly cuts the costs of a four-year education (unless, of course, you elect to spend four years with us).

So not only is the dollar sign a symbol of some significance. So are well The Coast Community Colleges. Orange Coast College. Golden West College and Coastline Community College.

noits the end of another year at Ocean View 1984 proved to be a tremendous saccess. What more could you ask for than accomplishments we have accomplished n sports Boys Soccer Basketha Cross-Country and Girls Baskett in well to CF Academically the Seahawk with discussion cess. Many students had the opport anly to go to Washington Dio ito learn it, but our givern hiert. Also proving their extendice this year were the pepstors. Doing extremely wealin the Miss Dri Toum, SA competit in This year was the first for The Coan Campus Project with Ocean View winding by thit ries. These are inst a few of the many successes the bean wits had this year. Way to jo O.V. Students and Staff you'd dia terrific job. As plause. Applaise
